Welcome to Bandito's Mexican Restaurant where we make everything .. except the tortillas. From our modest beginning at the "Chuck Wagon" on US 12 in Irish Hills, we brought to Ann Arbor all the high quality and best tasting Mexican sauces, beans, rice and meats, this side of California.

Since coming to Ann Arbor we have made additions to our menu and will add more as we grow. You will not find any of our sauces at other Mexican restaurants because they are our own unique recipes. We make everything here .. all the vegetables are cut fresh daily. Our salsa is a delicious combination of tomatoes, onions, cilantro, peppers and Mexican spices. We'll never tell exactly how we make it .. It's our secret, but one thing is for sure, it has no garlic.
